Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Bermuda Boulevard Seawall Improvements in fiscal year 2023. The entity to receive funding for this project is the City of Tampa located at 306 East Jackson Street, Tampa, FL 33602. The project would be a valuable use of taxpayer funds because it would stabilize and improve an existing seawall to create a permanent risk-reduction benefit to the surrounding extremely low-income community, providing a long-term solution to reduce damage to property and potential loss of life from flooding in the project area. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

*Kathy Castor*
